

# MUNICH STRING BAND

stage plan - pickup formation

Gabe (fiddle)  
fiddle DI box  
vocal mic

Rico (guitar)  
guitar preamp DI out  
vocal mic

Paul (bass)  
DI out from amp  
vocal mic

Philipp (mandolin)  
mandolin preamp DI out  
vocal mic

Philip (banjo)  
banjo preamp DI out  
vocal mic

Monitor 1

Monitor 2

as seen from the audience

We need 10 channels, 5 for instruments and 5 for vocals.  
We need 5 mic stands for vocals. It's no problem to bring our own.  
All of our instruments have preamps or DI boxes with XLR outs.  
We'll have our own vocal mics with us, we're happy to use our own or yours.  
We'd like to have two monitors with just a basic overall mix.  
We need one power outlet for the bass amp.
