

MUNICH STRING BAND

stage plan - old fashioned formation

Gabe (fiddle)

Rico (guitar)

Paul (bass)

Philipp (mandolin)

Philip (banjo)

AKG 414 main mic
Oktava 012 instrument mic for solos
bass DI out

We use 3 channels, one for the main mic, one for the solo mic, and one for the bass in case we want to add a little more in the mix.

We use only one mic stand. It's no problem to bring our own.

The solo mic clips on to the mic stand, we have the clip and will bring both mics.

We don't need monitors in this formation.

We need one power outlet for the bass amp.
